

**Exciting Updates for the Calaveras County Fair
and Jumping Frog Jubilee
Celebrating 132 Years of Frog Jumping Fun**

1/28/2025

Dear Impressive Frog Jockey Teams,

We are thrilled to announce the celebration of the 132nd anniversary of the Calaveras County Fair and Jumping Frog Jubilee. The history of our fair dates back to 1893, and we are proud to continue this rich tradition.

Record-Breaking Opportunities

The current world record, held by Lee Guidici and Rosie the Ribiter since 1986, stands at an impressive 21' 5 3/4". This year, we are offering a \$20,000 prize for any jockey who sets a new world record during the Grand Finals. If the world record is broken multiple times, the jockey with the highest jump will receive the prize.

Prize Money for Finals

We have updated the prize money for the finals as follows:

- **1st place:** \$1,000
- **2nd place:** \$750
- **3rd place:** \$500

Extended Jump Schedule

To accommodate more participants and enhance the experience, in 2024 we added two extra hours to the jump schedule on both Friday and Saturday. We encourage you to jump early, as the fair tends to get busier as the day progresses.

New -Frog Delivery Pass

Each team is eligible to receive one frog delivery pass. This will allow you to deliver frogs to the main stage during jump hours. ***This is not a parking pass. No personal golf carts or side by sides.***

Additional Fair Activities

The fair promises an exciting lineup of entertainment and new food booths for everyone to enjoy. Please note that only one vehicle is allowed per camp spot. The world champion team and the 2024 champion team will be camping around the pond on the north side, camping will be organized by Mike Ziehlke and Jon Kitchell.

Upcoming Schedule and Changes

The Frog Jump Committee is excited about this year's event and has made a few changes to streamline the jumps, ensuring an enjoyable experience for all. The updated schedule will soon be available at <http://frogjump.org>.

We look forward to a memorable and successful fair this year.

Sincerely,

Laurie Giannini
CEO-Fair Manager
